 - (v) "Occupancy rate" is the ratio of "Rented area" to "Rentable area" and is rounded to one decimal place.

(2) Outline of investigations into the state of the building, etc.

Investigations into the state of building	Consigned investigating company	Tokio Marine & Nichido Risk Consulting Co., Ltd.
	Investigation report date	July 4, 2013
	Urgent repair cost	—
	Short-term repair cost	—
	Repair and renewal costs expected to be necessary within 12 years	¥70,769 thousand
	Replacement value	¥1,090,800 thousand
Earthquake risk Diagnosis	Consigned investigating company	Sumitomo Mitsui Construction Co., Ltd.
	Investigation report date	June 28, 2013
	PML value (Note)	11.0%

(Note) The report on earthquake risk diagnosis only states the views of the consigned investigating company and does not provide any guarantee for its contents. PML (Probable Maximum Loss) represents the rate of probable maximum loss to be caused by earthquakes. In this case, it means the extent of damage to be caused by one of the biggest earthquakes anticipated to happen within the expected duration of service (the biggest earthquake which happens once every 475 years = 10% chance of a big earthquake happening once every 50 years) represented by the rate (%) of the estimated cost of restoration from the damage to the replacement cost.

Purpose	1. Transfer of specified asset according to securitization plan based on the Act on Securitization of Assets, and business related to its management and disposal. 2. Other business associated with above securitization of specified asset.
Date of establishment	March 12, 2007
Specified Capital	¥10,051,300 thousand
Preferred Capital	¥8,669,000 thousand
Investor	Not Disclosed (Note)
Relationship with Seller and NAF or the Investment Trust Management Company	There are no capital, personal or business relationships to report between the seller and NAF, the investment trust management company or any related parties or associated companies of NAF and the investment trust management company. Also, the seller, any related parties or associated companies of the seller do not fall under the category of related parties of NAF or the investment trust management company.

(Note) "Representative" and "Investor" are not disclosed as consent for disclosure could not be obtained from the seller.

5. Transactions with Related Parties and the Like

The property acquired has not been acquired from a party classified as having a relationship of special interest with NAF or the investment trust management company. Since Mitsui Fudosan Housing Lease Co., Ltd., which became the master lease company and property management company of the acquired property, falls under "Related parties and the like" (Note), in accordance with NAF's self-established rules on asset management relevant to transactions with related parties and the like, the conclusion of a master lease contract and a property management contract have been carried out through deliberation and approval by the compliance committee of the investment trust management company and the investment committee.

(Note) "Related parties and the like" means related parties and the like of an investment trust management company which has concluded an asset management contract with NAF, as determined in the Order for Enforcement of the Act on Investment Trust and Investment Corporation, Article 123.

6. Situation of the Acquirer of the Property

The property acquired is not an acquisition from a party classified as having a relationship of special interest with NAF or the investment trust management company, therefore the situation of the acquirer is not mentioned.

7. Earthquake Resistance Matters

NAF outsourced the inspection and verification of the details of earthquake-resistant structures including structural calculation sheets and, for the building of the property acquired, obtained confirmation that, no falsification is suspected in the structural calculation and structural drawings with respect to its structure, which ensures earthquake resistance as per the Building Standards Act.

In addition NAF always performs earthquake risk diagnosis based on reviewing drawings using structural design drawings, structural calculation sheets, etc., as well as on on-site inspection and the like during the course of due diligence upon acquisition of properties, from perspectives that are different to building certification investigations performed by an inspection and certification agency.

8. Outline of Brokerage

Not applicable.

9. Outlook for Management after Acquisition of the Property

As stated in "Notification Concerning Revision to Financial Results Forecast for the Period Ending August 31, 2013 (15th Period) and Period Ending February 28, 2014 (16th Period)" released as of today.
